Dear Parent,

Greetings from SRM. CBSE has introduced two levels of Mathematics examination from the academic session 2019 – 20 onwards. The current existing Mathematics is known as Mathematics - Standard and the other one is known as Mathematics – Basic, easier than the first level.

The syllabus, class room teaching and internal assessment for both the levels of examination will remain the same. Mathematics - Standard is for students who will be taking up Mathematics at Sr. Secondary level. The student who is not good at Maths, can prefer Mathematics basic but that student cannot take Mathematics as one of the subjects in XI.

Kindly discuss about the two levels of examination with your ward and give your consent in the below format.

----- ✂ -----

I \_\_\_\_\_, parent of \_\_\_\_\_ studying in Grade X at SRM Public School, give my consent to register my ward in \_\_\_\_\_ ( Mathematics – Standard / Basic) examination in AISSE – 2020.
